Profile

A day dreamer on art of programming

Hi, I am Johndel Encabo, a Filipino Web Developer and UI Designer, I am currently on college, CS is my course. I indepently learning React JS and Django is the Framework I use on my Projects.

I love macro photography, I always taking of picture of small things

I am passionate on what I am doing and any problem I encounter I definitely finding my solution. I keep on learning and studying things related to my field, at first planning was my weakness but that weakness became a strangth.

Experience

2020 – Present
